

Come Get Dirty and Have Fun

Bonanza Opal Mine is open for the whole family. Kids love Bonanza, where they are free to roam our tailings and dig for fiery, precious opals. Bring the kids for a day of digging.

Bonanza Means Birthdays

Celebrate your son's or daughter's birthday at Bonanza. We have special discounts for larger parties.

Take Your Treasures with You

We'll take care of you. We'll show you what to look for and how to see it. If you don't have a small rake, you can rent one of ours. Unlike other mines in the valley with hard clay, our tailings are dry, rocky soil from our own mining operations. The digging is easy—and fun.
